

Locking Brackets

Type I

Security for Public Areas

Locking Brackets are a simple yet effective solution for securing your Multi-Function Device and supplies. Ideal for public access areas such as schools and libraries.

Locking brackets features:

- > Solid steel construction
- > Durable powder coated finish
- > Simple one touch lock
- > Locks keyed alike for multi-machine sites
- > Secures paper drawers and LCF
- > Secures toner containers

- * MFD must be configured with either LCF or PFP modules.
- * Hanging finisher is not supported

Suitable for the following Toshiba Multi-Function Device:

e-STUDIO353/453

e-STUDIO233/283

e-STUDIO283c/353c/453c
