

Locking Brackets

Type II

Security for Public Areas

Locking Brackets are a simple yet effective solution for securing your Multi-Function Device and supplies. Ideal for public access areas such as schools and libraries.

Locking brackets features:

- > Solid steel construction
- > Durable powder coated finish
- > Simple one touch lock
- > Locks keyed alike for multi-machine sites
- > Secures paper drawers and LCF
- > Secures toner containers

* MFD must be configured with either LCF or PFP modules.

* Hanging finisher is not supported
